Novato High School

Office hours is an opportunity for all students to receive focused help and support during the regular school day. To help in the area of Equity, eliminate homework concerns and considering time restrictions at home, office hours will provide students an avenue of supports including social emotional supports during this time. Teachers will be able to develop better connections with students as well as serving their needs in a 1-on-1 tutoring model that will enable students the opportunity for specific help in the necessary subject areas. Drawing from other successful models at schools in the areas of American Canyon and Drake, and via the work of our Bell Schedule Task Force at NUSD, we look forward to bridging the gap and supporting all of our students with Office Hours.

Engage. Inspire. Empower.
